June 13, 2006

Present: Kathy Bonfigli, Laura Darden, Maria Stowell, Valerie McNamara, Betsy Weischedel, Shawn Behlendorf, Jay Austin, Shawn Montague

1. Ed's Report (presented by Maria Stowell)

1. Track team is sending 19 athletes to Conn. Will Boosters be funding the trip at \$50. per athlete?
2. There is one golfer going to New England's. Will Boosters fund at \$50?
3. Fall athletic schedule is up. Thursday, Aug. 10th is Parent meeting, August 14th tryouts start. Meet the coaches night is not scheduled yet.
4. The cross country team has lost their sponsor for the invitational. Do we know of any parents that could be sponsors through their business? It is roughly \$3,000.
5. Transportation: We are okay for this year
6. Meetings for next year? Will they still be Tuesdays? Yes, we thought this day worked well for everyone
7. Captain leadership training: Betsy sent out payment

2. Maria reported that new officers for next year are:

Laura Darden/Valerie McNamara: Co-Presidents

Betsy Weischedel: Treasurer (with help from Maria)

Maria Stowell/Jeanne Barnes: Clothing

Jill King: Scheduling of volunteers

Kathy Bonfigli: Secretary

? Vice-president (Tim Gendron's name was mentioned)

3. Women's Rugby: Jay Austin spoke of their needs for fundraising to help fund their transportation. They have completed 4 fundraisers. We discussed giving them the Hershey's Track Meet on Saturday, July 8th. Jay would look into seeing if he could get parents to work. Jay also mentioned a clinic that 6 girls were chosen for to play on a select team. This cost \$250 per player and they tour in July. This fee covers their food and travel. We discussed that many athletes have this opportunity through their individual sport (ODP, Club teams) and parents pay. This isn't anything a school takes up as an expense.

4. Betsy went over the treasurer's report
5. Next Booster meeting is August 8th to organize for the parent meeting on August 10th. It should be very brief starting at 7pm.
6. Freshmen Barbecue is August 25th. We will need to be at that event as well.

Votes: Yes- track team to Conn. 50x19= \$950.00

Yes-golfer to New England's = \$50

Rugby request for transportation (\$1,500). We would give them proceeds of Hershey's track meet event if they staff it.
