1. Discussed Cross Country Invitational and worked out coverage for when Gary needs to leave. Kathy will take over in the afternoon and oversee getting everything back to the high school.
2. Field Hockey Request-Heather and Pam (JV/V coaches) put in a request for new Varsity and JV uniforms (24 home and away). The current Varsity uniforms will go to the freshman team. (96 @ \$30) They have \$600 in own fund, Ed can give \$800-\$1,000 and can Boosters fund the balance? These uniforms are very old and made of cotton. They need to be updated.
3. 50/50 Raffle: We need to find people to cover this at the football games. Kathy will send out an email request seeing if anyone would be interested in selling at football games. We will need 6 people for the homecoming game.
4. Sean Stowell came to talk about the captains' leadership training that all Varsity captains are going through. They discuss problems and captain's issues. They have met twice with Shelia. Shelia also talks to the coaches.
5. Shawn Montague came to tell us about his basketball coach's clinic October 7th. He wondered if Boosters would want to set up refreshments in the lobby to sell during the clinic. We will check with Gary about this.
6. Ed discussed Boosters sponsoring a quest speaker-Ed Agresta. He was a former coach and is very motivational and talks about lessons learned from athletics. He is available Oct. 25 and 26th. He could talk to student athletes during the day and the coaches and parents in the evening. This could be a combined effort with South Burlington and possibly St. Albans. Logistics would need to be worked out and a discussion of the evening attendance was a concern. The cost is \$1,500. Would Boosters be willing to help with the cost?
7. Homecoming: Pep rally, float making, parade, tailgate, soccer, field hockey and football games. A fun-filled day! Mr. and Mrs. Spirit will be chosen. They will receive a digital camera. A \$175.00 value. Would Boosters help with the cost?

8. Lissa McDonald will be honored at the next home football game Sept. 22. Ed, parents, former cheerleaders will speak. Coaches will be giving a gift certificate to restaurants and/or travel. Boosters will give Lissa a bouquet of flowers.
9. Super Booster Award-We need to give out at the last home football game. We missed last year.
10. Alumni-At the homecoming football game we will be giving out alumni pins. Laura displayed both pin designs and we chose blue. The cost is \$158 for 300 buttons. We will pass them out at the gates and find out what class each alum is from. We will present hats to the oldest alums. We need helpers to present the pins. Kathy, Laura and Betsy H. said they could help with the pins.
