

June Booster Minutes  
June 12, 2007

Present: Kathy Bonfigli, Valerie McNamara, Ed Hockenbury, Betsy Hoehl, Laura Darden, Tim Gendron, Carol Krug, Kathy Finck, Joe Gonillo

Joe Gonillo came to request help supporting athletes going to a decathlon and heptathlon. It would involve \$20 per kid, 4 kids from each team (boys and girls) for a total of \$160.

Joe also thanked us for the support of sending 25 kids to New England's.

Also, Joe discussed uniforms for track. He bought girls uniforms (parent gave \$3000). Track is doing the Hershey's Track Meet. Joe is hoping for \$1,000 for more uniforms.

Ed's Report:

- Girls' hockey uniform request. Need \$1700, Ed gave \$561. They have fund raised \$1,100.
- New England's for golf-send 3 students
- Introduced Kathy Finck who came to discuss selling booster items at their school store by the Center for Technology. She will discuss with Betsy to set this up.
- Sports program-perhaps the tech center can help as well. Jeff Greene volunteered to lead this project. He also has Carol Krug, Lori Picard, Kathy Phinney, and Carol Powlakowski to help. The program will have a cover, inside welcome, pages with team photo, name and schedule and sponsors for the 11 fall teams.
- Storage is still an issue to be worked out
- Facility-Ed would like to improve the entrance to the sports areas. Talked about including Eagle Scouts. Kathy will talk

to John Spaeth about getting an Eagle to take on this for a project.

Sandy Sherman will be next year's secretary  
Betsy W. will be treasurer with help
